

De Pere Band Boosters

Band Camp Scholarship 2023

The De Pere Band Boosters Band Camp scholarship program was established to provide assistance to those De Pere students who wish to participate in a summer band music camp.

The Band Camp scholarship is available to students currently in 5th – 11th grades, for camps in the summer following the current school year. The scholarship is designed to aid a student in pursuit of advanced music education, and can be used at any accredited Music Camp related to instrumental music. The scholarship is valued at *up to* \$200, depending on available Band Booster funds and number of qualifying applications. Preference is given to students who are applying for a scholarship for the first time.

Scholarship Criteria:

1. Any De Pere School District Band Student who is registered and actively participates in at least one semester of Band in the current school year.
2. Foxview, De Pere Middle School, and De Pere High School students are eligible. The intent of this scholarship is to award at least (1) scholarship at each school, and reasonably balance the allocation among schools. As such, not every applicant may be granted a scholarship. Quality of answers to “essay” questions may be used to select recipients.
3. Must be a student in good standing, with acceptable attendance, grades, and discipline records. If in High School, the applicant must be free from co-curricular code violations. These will be verified with school administration
